#### Radio Network:

Extensive upgrade and repair work has been carried out on the Radio Network. Although, coverage is still patchy for the East Coast Bays Patrols and Wenderholm the East Coast Bays Patrols have a patrol phone in addition to radio capabilities.

**If you encounter an issue with the network** please liaise with SurfCom and test the network with at least 2 different radios (base set and handheld if possible) and ask SurfCom to log the issue if not already completed.

#### **For additional details on this Circular please contact:**
