Circular 056:17

Date: 23rd March 2017

Subject: SLSA Research Coordinator – Position Vacant

Attention: Clubs Chairs, Club Captains, Club Administrators, Operational Lifeguards

Description: Surf Life Saving Australia are seeking a Research Coordinator to join their team

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

Surf Life Saving Australia (SLSA) is seeking an experienced, enthusiastic, dynamic and focussed individual to join the team as the Research Coordinator at its Sydney office.

The Research Coordinator will undertake a wide range of research and administrative duties to assist Surf Life Saving Australia's research and evaluation program relating to water safety, lifesaving, injury prevention, education, training, sport, youth and volunteering. Research and evaluation undertaken will underpin future program and resource design to ensure fit for purpose and best practice outcomes.

This role also provides support to the Coastal Risk and Safety Manager and internal and external stakeholders.

Ideally the successful applicant will have a degree in a relevant field, with a component that included statistical analysis (quantitative and qualitative) and interpretation.
