Circular 065:17

Date: 6th April 2017

Subject: Regional Support Centre

Attention: All club members

Description: Request for help finding suitable storage facility

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

SLSNR has a short term need to store items of its operational, event lifeguarding and sporting equipment. In the longer term, we are reviewing options for the consolidation of the storage and servicing of this regional equipment.

If your club can assist with the secure storage of these items in the off season can you please contact me to discuss.

Many thanks,

Adam Wooler
