Congratulations to our 2017 California Lifeguard Exchange Delegates, Dan Short (Mairangi Bay/United North Piha) and Shane Edwards (Sunset).

The delegates will be traveling to California on the annual exchange held between the Californian Surf Lifesaving Association and Surf Lifesaving Northern Region this winter.

These senior guards will be looking to expand on their lifesaving knowledge and experience and will be sharing their learnings with the membership upon their return.

Please get behind these two fantastic guards as they look to fundraise for the exchange. You can follow their progress and find information on upcoming events by following the Northern Region California Exchange Facebook page:
