### Surf Lifeguard and IRB Award Training/Examinations

Currently we are reviewing our processes and talking with SLSNZ about next season's training/examination procedures.

Once full details are available later in May (including precise details and confirmed changes) they will be made available to all clubs and communicated through the annual instructor/examiner refresher workshops.

### Instructor and Examiner Workshop

The first of these will be on 17/18<sup>th</sup> of June. Registration and course information will be made available within the next 1-2 weeks. This workshop is open to anyone involved in the SLA and IRB training/assessment process and will count as an instructor/examiner refresher for the 2017/18 season. There will be additional opportunities to attend other workshops over the winter months.
