Attention: All club members

Description: Information for those Lifeguards who wish to order a SLS branded wetsuit for the 2017/18 season

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

For a strictly limited time, Lifeguards can place an order for a SLS branded Xcel wetsuit for delivery for the start of the 2017/18 season.

XPLOER FULLSUIT 3/2

(Surf Rescue Edition)

The Xplorer is a durable, warm, and comfortable fullsuit and very easy to get on and off, thanks to the OS offset back entry that keeps pressure off your spine, especially when paddling. The upper body features premium UltraStretch neoprene for maximum flexibility. All seams are glued & blindstitched.

It is important to check your size accurately against all measures (height, weight, chest & waist), and select the size that suits closest to all of these measures for you.

These wetsuits are made to order and not stocked in NZ, therefore there will be no opportunity for a replacement for wrong size selection.

Please use the size guide below

Please make all orders through your Clubs administrator before 5pm Thursday the 25th of May 2017
