

Circular 086:17

Date: 1st June 2017

Subject: Chair - Training Advisory Group

Attention: All SLSNR Members

Action: Apply for this position

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

We still have a vacancy for the Chair of the new Training Advisory Group (TAG). This important role will work closely with the Operations Manager to establish a new training strategy and business plan and help recruit the right staff to deliver the plan.

Ideally the Chair will have experience in the Education sector as well as an understanding of our existing training programmes and awards. However, enthusiasm and the ability to provide sound guidance and advice is the overriding requirement. The terms of reference for the Training Advisory Group can be found [here](#). You would have the support of the Regional Chief Examiner and IRB Chief Examiner who would automatically be standing members of the TAG. In addition, as Chair of the TAG you would be a member of the [Operations Committee](#) who meet four times a year and have a more strategic role supporting the whole Operations section with it's work.

If you are interested in this position, please send your CV and brief covering letter to;
