

Circular 087:17

Date: 1st June 2017

Subject: Rookie Lifeguard Uniform

Attention: Rookie Lifeguard Co-ordinators

Action: Pre-season estimate of Rookie uniform requirements

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

Hello

The current Rookie Uniform system will be maintained for the coming season. That is, Clubs should have collected in the Rookie Uniform from last season and aim to reallocate it to their Rookie Lifeguards next season.

Now is the opportunity to see if you require additional uniform this season, only due to not enough, different sizes, or uniform that is too soiled/damaged.

There may be some slight differences in the branding of Rookie shirts in Clubs circulation but they are all white shirts with "Rookie Lifeguard" and the SLS logo printed on them. There is potential for SLSNZ to redesign the Rookie Lifeguard uniform in the future so Clubs should only be aiming to properly outfit their program this season, not build stock for the future.

Once responses from Clubs are compiled SLSNR will look to place an order. We will once again be applying for a grant to cover this but if we are unsuccessful then costs may be passed back to the Clubs for their orders.

Please fill in and return by email the table on the next page before Friday June 23rd, ensuring your put the name of your Club at the top.

*Numbers are kid's sizes and letters are adult sizes, Caps are one size.
