Mangawhai Heads Volunteer Lifeguard Service is holding a pre-season Training Weekend for qualified lifeguards from the Northland Area over the 13th – 15th of October.

The aim of the camp is to:

1. Develop an understanding and respect for the beach so that Lifeguards and others are safe in the water.
2. Develop a team approach that will ultimately aid with retention of lifeguards.
3. Assist members to develop and improve their surf lifesaving knowledge and skills.
4. Improve the self-image of members by developing self-confidence and social interaction.
5. Help members to keep fit and active.
6. Ensure we take a responsible approach to ourselves and other members of the club.
7. To build stronger relationships between northern clubs.

The camp will consist of three main streams, a First Aid Level one course, IRB training, and lifeguard development.

The camp has a maximum of 30 candidates and will cost \$40 per person to cover costs, plus the additional fee of the first aid course if you wish to attend this.

Please complete the application form on the following page and return it to [Brad Kehoe](#) – Club Captain of Mangawhai Heads no later than Friday the 29th of September.
