SLSNR Lifesaving staff and the Lifesaving Advisory Group will be hosting the first of a number of Lifesaving Forums at the Marine Rescue Centre on Sunday the 8th of October from 10:00am. All Club Life Saving Officers (or equivalent Club Officers) are requested to attend.

The purpose of the forum is to provide information for the upcoming season, and provide the Club Life Saving Officers (LSO) with a face to face opportunity to engage with Lifesaving Staff and the Lifesaving Advisory Group (LAG).

Items to be addressed include (but are not limited to); new Regional Lifesaving Strategy, Service delivery model (patrol hours), regional support services, patrol and incident reporting update, health & safety requirements, and the Lifesaving staff structure. Additionally there will be guests attending from external agencies to discuss how we can better work alongside some of our partners.

An agenda will be circulated to LSO's before the meeting. If your Club would like to see any items included in this agenda, please contact the Lifesaving Manager directly.
