Circular 124:17

Date: 28th September 2017

Subject: Accident Investigation Form

Attention: All members

Action: Complete and return the Accident Investigation Form to SLSNR within one week of any injuries occurring to members or significant equipment damage

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

The Incident Investigation Form needs to be used when ANY near miss, injury that occurs to members or significant equipment damage that occurs during lifesaving activities (patrolling, training, sport etc).

This form needs to be completed in conjunction with the SLSNZ Incident Report Form and sent to SLSNR within one week of the incident occurring.

By reporting these incidents it helps SLSNZ, SLSNR and Clubs maintain a high standard of member Health and Safety and improve best practices in all aspects of operations as well as keeping records for insurance and ACC claims at SLSNR.

This form can be found on the [SLSNR website](#) in pdf and word documents.
