Circular 126:17

Date: 28th September 2017

Subject: Position Vacant - Eastern Region Lifesaving Manager

Attention: All members

Action: Applications welcome

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

The SLSNZ Eastern Region Office is looking for a new Lifesaving Manager.

They have had Leigh Sefton in the role for the last 3½, and he has seen them through a transition period from Programme & Services Manager to Lifesaving Manager and has set an excellent benchmark with well-established systems and processes in place. Leigh has decided to move on and so a replacement is required.

This role is heavily people focused and ideally they would like to have someone in place before the end of November 2017. The Eastern Region team environment is also very positive and a fun place to work.

Please see attached Job Description and links below to apply for this role:
