Circular 152:17

Date: 23rd November 2017

Subject: January SLA Exam Registration Deadline

Attention: Club Instructors & Administrator

Action: Register SLA Candidates for January Exam before December 4th

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

Due to constraints on Examiner and Pool Assessment venue availability over the holiday period, registrations for January 21st SLA Exam must be completed no later than December 4th.

All registrations must be completed online or at very least communicated to the Chief SLA Examiner by Friday December 4th to allow adequate time to arrange sufficient Examiners and pool assessments in time for the January Exam. This is a busy time of year for most, with pool venues having limited availability for assessments so the increased lead time for this exam is needed to ensure we can meet the needs of what is traditionally a large SLA Exam weekend.
