Rookie Challenge

The 2018 Rookie Challenge will be held at Managwhai Heads on the 24th of March. More information will be out shortly surrounding this event.

Programme Update

Ben Julian has now taken over from Duncan Buchanan to head up the Rookie programme for the remainder of the summer. Please direct any concerns or questions surrounding the Rookie programme to Ben at ben.julian@lifesaving.org.nz

Currently only four clubs have completed their Rookies registration. This needs to be completed for Rookies to be eligible for the Rookie Challenge registration. Please contact Ben to register your Rookies.

SLSNR has recently restocked its supplies of Rookie uniform. If you require new uniform for your Rookies please get in touch with Ben. Unfortunately we have been unable to obtain funding for Rookies Uniforms this season so the cost of any new uniform ordered will have to be passed onto the clubs.
