I am pleased to open applications for first aid courses being run in the next couple of months. Below are several basic details, with course bookings to be made according to availability and funding after applications close on the 26th of February 2018:

- Locations of courses will be provided after applications close
- There is one guaranteed First Aid Level 1 and one First Aid Level 2 course place for each candidate
- Once applications close, an availability survey will go to each applicant to find the best date and location for the course to be run
