As part of the ongoing commitment to support clubs to provide a quality lifeguard service to help the community enjoy safer beaches, SLSNR is seeking **four** Lifeguard Supervisors on a full time, permanent basis. Each Lifeguard Supervisor will have a specific responsibility for the management of one of the three key streams of lifesaving (volunteer patrols, paid lifeguard service and the support services) as well as lifesaving training which underpins the whole service. Although each Supervisor will be expected to provide general lifesaving support across all four areas when required. For more information please visit the [SEEK website](#).

All four positions will be based in Auckland and will require regular travel. The successful candidates will have relevant experience and qualifications relating to training, supervising, lifesaving and incident management. Excellent communication skills and being passionate about and committed to making a positive difference are also key attributes.

To be sent the job descriptions and to apply please contact Vorng Nhem. Applications should include a brief cover letter and CV, specifying your preference for the positions that you would like to be considered for.
