Surf Life Saving Northern Region would like to thank Johnny Clough for his service over the last year as Chief SLA Examiner. His willingness, dedication, and the long hours he has given to the role have resulted in a positive outcome for hundreds of new lifeguard candidates. The flow on effect from this has led to better lifeguarding on the beaches and safer flagged areas across the Region.

For future enquiries, until the Chief SLA and IRB Examiners are elected (applications to open next week in this Ops Circular), please contact me at [training@lifesaving.org.nz](mailto:training@lifesaving.org.nz) for items such as planning for next season and feedback from this season.

Examiners – please keep an eye out for a date TBC for the Examiner's Debrief. I will email this to all of you as well.
