

## Circular 053:18

---

**Date:** 10<sup>th</sup> May 2018

**Subject:** Life Saving & Training Advisory Group Chairs

**Attention:** All members

**Action:** Please apply for either of these positions

---

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

---

Due to the resignation of Johnny Clough, an interim vacancy exists for the position of Chair of the **Life Saving Advisory Group (LAG)**, a sub group of the Operations Committee. The Life Saving Advisory Group will support Calvin Hicks, the new Life Saving Manager, with the delivery of various projects to fulfil the objectives set out in the new Strategic Plan, once it has been formally adopted by the membership. Ideally the Chair, who may also be selected to represent SLSNR on the SLSNZ National Lifesaving Committee should have a sound knowledge and experience of surf lifesaving and be able to manage and lead a series of working groups.

In addition, SLSNR would like to form a **Training Advisory Group (TAG)**. With both the Chief Surf Lifeguard Examiner and the Chief IRB Examiner as members, the Training Advisory Group will, with the addition of other subject matter experts, support Paul Hardy, the Training Supervisor with the delivery of various projects to fulfil the objectives set out in the new Strategic Plan. In order to do so, we also require a Chair for the TAG so we are seeking applications from someone with an educational and/or training background who, like the other Ops Committee members and Chairs of Advisory Groups, are also able to manage and lead a series of working groups.

The terms of reference for the both positions as well as the Advisory Groups can be found [here](#).

The applications will be considered by the Chair of the Operations Committee, Operations Manager and Chief Executive and a recommendation made to the Board who will consider the matter at their meeting on May 28<sup>th</sup>. Therefore, all applications must be submitted by Friday 18<sup>th</sup> May.

If you are interested then please send in a covering letter and CV to [adam.wooler@lifesaving.org.nz](mailto:adam.wooler@lifesaving.org.nz)

**Closing date – Friday 18<sup>th</sup> May**

**Adam Wooler**  
Operations Manager
