The Membership Development Review has now been completed by a working group of the Club Development Advisory Group. The first two projects to be developed from the review are a Senior Guard School and the Senior Leadership Experience.

The Club Development Advisory Group Chair and Club Development Manager are currently seeking applications from the membership who wish to be considered to undertake the upcoming development of these programs.

Please find the terms of reference and role description for this development group [here](#)

The revised Membership Development Pathway can be [found here](#)

If you are interested in joining this development group, please email a brief cover letter, detailing your interest for consideration to [Talia Comp](#) no later than 5pm on Sunday the 15<sup>th</sup> of July 2018
