

Circular 076:18

Date: 30th August 2018

Subject: Radio Network Channels

Attention: All lifeguards

Action: Please be aware of digital Radio Network Channels for 2018-19 season

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

Please take the time to review the following radio channels now programmed in club handhelds and base units across the region.

SLA Instructors and Examiners: the location specific VHF channels will not be examined but should be taught to candidates during the instruction process.
