Intermediate Guard School is designed to provide junior lifeguards with the skill development, knowledge and further understanding to develop as a lifeguard. The school is a dynamic combination of theory and practical based sessions to enhance the candidate's learning through a variety of situations.

The Intermediate Guard School is delivered via a two day camp and is a great opportunity for lifeguards to become more confident and capable lifeguards. The target audience for this course is lifeguards who have been patrolling for 1-2 seasons and are ready to further develop their lifeguarding skills.
