Outward Bound Courses 2018/19

Outward Bound offer SLS members reduced costs to attend their courses.

Outward Bound is one of New Zealand's leading organisations for showing people their full potential through outdoor challenge and adventure.

They believe in experiential learning - or learning through doing. That means students take responsibility over the challenge ahead of them. Whether that's leading the way on an expedition or managing their team to complete a kayak journey.

Outward Bound's focus lies in building transferable skill and attitudes that remain far beyond a participant's time with us. Lessons learnt are applicable to work, study, home - and they last for life.

Details

- You must be a current SLS member.
