Congratulations to the 2018/19 Buddy Lucas Scholar, Guy Hornblow of Kariaotahi.

Guy will be travelling to Sydney in February to attend Surf Life Saving Australia's National Leadership College as part of the Buddy Lucas Leadership Program.

The **Buddy Lucas Leadership Program** is generously funded by Denis Black, Patron of SLSNZ and Life member of both SLSNZ and SLSNR. It provides prospective leaders the opportunity to develop and expand their knowledge of Surf Life Saving and develop their own personal skills.

Surf Life Saving Australia's National Leadership College (NLC) is an annual leadership and development program recognising young leaders in Surf Life Saving. The NLC provides an exciting opportunity for young people within the movement to further develop their leadership skills and continue to positively contribute to the success of SLS. As well as learning new skills and creating opportunities for personal growth, the College will open up new networks with other likeminded passionate members across Australia, who also are committed to making a difference within the movement. The NLC is designed to challenge participants intellectually, socially, emotionally and physically. The skills gained are designed to be taken back to clubs and into other areas of the participant's daily environment.
