Event Purpose:

This event is to provide a positive, fun experience for our U10 members & Officials. This will be delivered in a format which is inclusive to all members from all clubs. As such, a 200m badge is not required to enter this event. This event is open to U8, U9 & U10 members.

This event will be achieved through teams of 8-12 members being formed, with club coaches leading these teams through a number of relay events on the beach and in the water. Some events may be a variation of those found within the SLSNZ Competition manual. Events will included badged & non-badged components.

This event will be held on the Saturday of SLSNR Jnr Champs. As teams are composite (mixed club), there will be no club points awarded to teams from events.

**Entry Process:**

Clubs will enter members through the EnterNow portal like other events. Once entries close, all U10 members across all clubs will be formed into teams to 8-12 members (pending numbers). These teams will be led by coaches & team managers, provided by the clubs.

- Entries close **Monday 25th January 2021**
- Search for “SLSNR 2010 U10 Royale” on the SLSNZ online entry portal [here](#)
- Please ensure your Team Management & Surf Official information is up to date on the online system.
- Failure to list a team manager may mean that you will miss out on vital information.
- It is the expectation of the event organisers that clubs will only enter competitors that have the requisite ability to compete safely in any given event.
- By entering this event clubs & members agree to SLSNR using any images and video taken during the event for media and promotional purposes.

Entry Fees:

- \$25 (inclu. GST) per entrant.
- All entry fees will be calculated following the completion of the event and clubs will be invoiced directly.

Rules:

- Please refer to the Event Guidelines section at the bottom of this document for event information.
- As this event is an opportunity to provide a positive experience for future lifeguards, the Officials role will be to educate rather than adjudicate. As such, no DQ's will be given on the day.
- The Event Management Committee reserves the right to make any amendments on the day to ensure a safe event is run for the membership.

Competition Uniform:

- All members must wear a team cap which will be provided.
- All members are to wear a High Visibility Vest

Briefings:

- It is important that all surf officials, managers and members attend their required briefings

- Updated event Information will be posted up on Facebook on the U10 Royale event page as well as via the TeamReach app (group code to be communicated in due course), as well as on the Northern Region website.

Surf Officials:

- All Clubs are required to provide at least 1 surf official for every 10 competitors (or part thereof).
- All clubs will be required to provide a Team Coach & Team Manager.
- Clubs may be requested to provide more, should the need arise.
- Please ensure that you have adequate numbers of Surf Officials available to meet the numbers of competitors entered.
- If your club is struggling to provide officials please contact entries@lifesaving.org.nz as there may be other ways the club can help on the day.
- Surf Officials need to wear their Blue Officials Shirt and warm gear suitable for the days weather conditions & should come prepared with a water bottle and a whistle.
- If you need a blue official's shirt please contact Donal before the day.

Health & Safety:

- A Competition Safety Plan is completed for every SLSNR event and is available for viewing at the event.
- One key section of the Competition Safety Plan is the **Missing Competitor at Sea – Emergency Response Plan** and the roles and responsibilities of Officials, Team Managers, Competitors, Management and Event Safety Team will be outlined during briefings
- This is a hugely important plan to understand and know where you can assist as time is critical when dealing with a missing person in the sea. More information can be found [here](#)
- **Pre-Existing Medical Conditions:** All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Manager by email to entries@lifesaving.org.nz. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNR and a decision will be made on whether a 'Competitor Waiver' form is required to be completed. It is important to note that that a pre-existing medical condition includes a concussion event that has occurred prior to this event.
- The Event Management Committee reserves the right, if conditions warrant, to require canoe and boat crews to wear helmets. All clubs should bring helmets to the competition in the event that conditions warrant their use.
- All competitors and managers are reminded we as a management group have a need to be informed prior to the start of the event if any competitor who is under medical treatment or has suffered an injury that may impede their ability to perform. This requirement requires the competitor (or parent in competitor is under 18) to complete a waiver to enable participation. We have a need to understand who may be at additional risk during an event so that additional resources can be focused on the competitor while competing and ensure their safety.

- **Covid-19:** Stay home if you're sick and do not take part in the event. You must not participate in any gatherings if you have COVID-19 symptoms or if you need to be in isolation for any reason.

COVID-19 Contingencies:

- In level 1 events will run as usual but in the event we are in level 2 the programme will be changed to reflect restricted numbers for gatherings. This may involve dividing events between beaches or having staggered start times for events.
 - We will have event QR codes set up for contact tracing.
 - Hand sanitizer will be available and increased cleaning of shared spaces will be implemented
 - We may look to create set areas to keep groups apart during events. Having separate areas for competitors, spectators etc
 - We ask that those attending competitions please practice the following:
 - Wear a mask when operating in spaces where you cannot remaining 1m away from people you do not know.
 - Clubs travel as 'light' as possible in relation to coaches, managers, supporters, siblings etc
 - Maintain good hygiene
 - Physically distance
 - Stay home if you're sick
 - Get tested if you have cold or flu symptoms
 - Keep track of where you've been and who you've seen.

Event Guidelines:

Please see the below descriptions for the events that will be held at the SLSNR 2021 U10 Royale.

Teams can be made up of any gender composition.

All events are designed to be inclusive but to retain a competitive element and provide a rewarding experience for all.

Mixed Board & Boogie Board Relay:

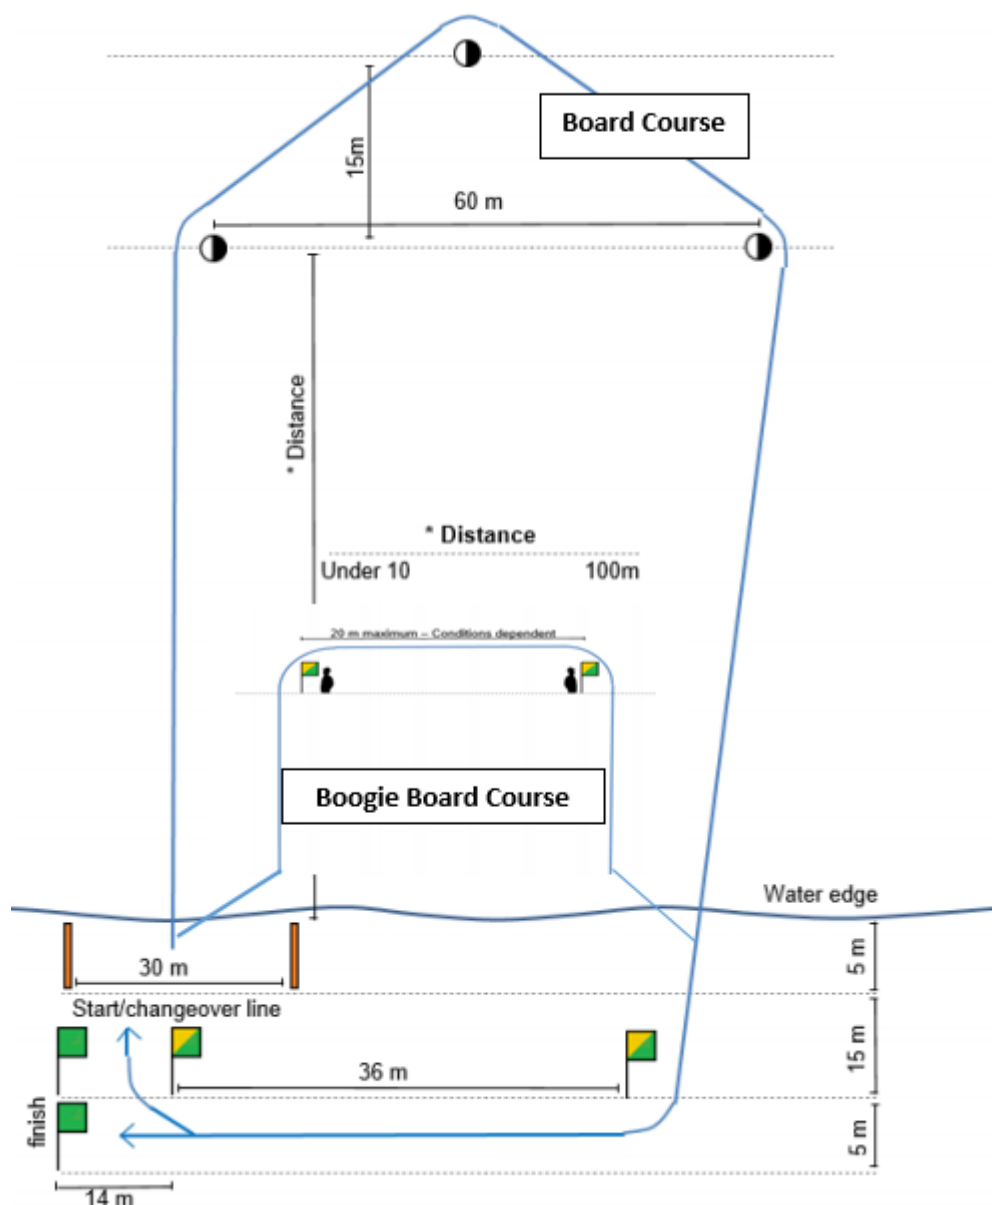

- A team will consist of four (4) participants.

- Participants will start the first leg at the start finish line and complete either the board course or boogie board course (depending on the order).

- Once the participant reaches the water's edge, they will round the two green and yellow turning flags and tag the next participant.

- This order is repeated.

- The last participant will complete their respective course, round the two green and yellow turning flags and finish between the two yellow flags.

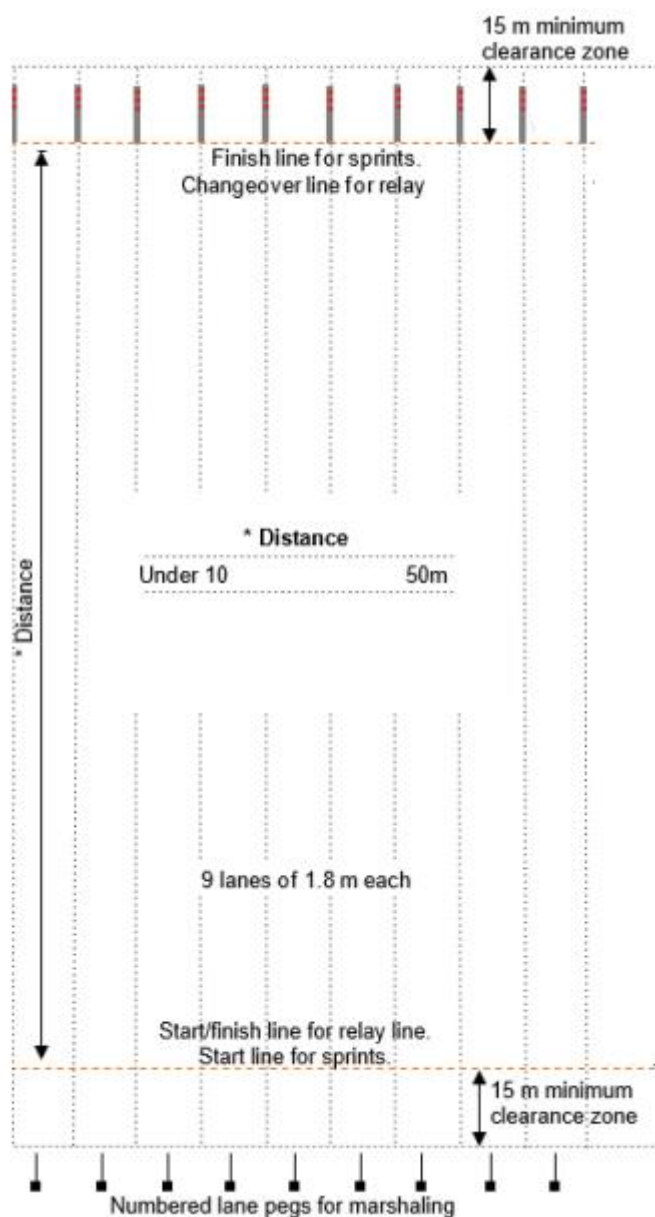

- Two participants will complete the board course and two participants will complete the boogie board course in each team.
- The order of Board & Boogie Board legs will be drawn on the day.

All Team Beach Relay:

- A team shall consist of all team members, half at the starting end, the other half at the finishing end.
- Each participant will complete a leg of the course with a baton held in either hand. At the end of their legs they shall pass the baton to the next runner.
- The starting conditions shall be as for the beach sprint Event with the first Competitor of the team taking the mark.
- Baton change-overs need to occur behind the change-over line. The baton cannot be thrown to the next competitor.
- Should a baton be dropped during the change-over, the receiver can recover the baton (whilst ensuring that there is no interference to other Competitors) and continue with their leg of the relay.

Mixed Tube Relay:

- The Tube Relay shall consist of four participants.
- First participants will line up on the start line. Participants will be wearing a Tube with the sash over their shoulders. Participants will start with the Tube in their hand.
- The Tube will act as the baton and will be changed over to the next participant at the end of each leg at the changeover line.
- Once the event commences, participants will complete either the swim or wading course (depending on the order). Upon reaching shore, participants will round the two green and yellow flags to the changeover line and pass their Tube to the next participant.
- This order is repeated.
- The final participant will complete their respective course, round the two green and yellow flags and finish between to the two green flags.
- Two participants will complete the wading course and two participants will complete the swimming course in each team.
- The order will be set on the day between wading & swimming.

Mixed Diamond Relay:

- Teams will consist of four (4) participants.
- The first participant will complete their respective course (order dependent) and round the green the yellow turning flags to tag the second participant at the changeover line.
- This order is repeated throughout the remaining legs.
- Upon reaching the shore, the fourth participant shall then proceed around the green and yellow turning flag and finish between the two green flags.
- One participant in each team will complete a Board, Boogie Board, Swim & Wade course.
- The order of the water legs will be drawn on the day.

Mixed Cameron Relay:

- Teams will consist of four (4) participants.
- On the starting signal, the first runner will proceed from the start line around the far turning flag and tag the first swimmer.
- The first water participant will complete their respective course (order dependent) and round the green the yellow turning flags to tag the second participant at the changeover line.
- The second water participant will complete the same order, tagging the second runner at the water's edge.
- The second runner shall then proceed around the green and yellow turning flag and finish between the two green flags.
- The order of the water legs will be drawn on the day.
