### Lifesaving Manager

Calvin Hicks role as Lifesaving Manager was to be with the organisation for 12 months. This will end late May early June 2019. As Calvin is moving up North he has decided not to continue with the organisation after this time. We want to thank Calvin for his steadfast dedication to the organisation during many challenging times that the region has experienced. Calvin has been responsible for many lifesaving tasks- one item is the rolling out of the St John MDT table. Calvin will continue his work on the LAG and other committees as he will look at taking up a role with a club. We thank you Calvin for all your hard work you have done for Surf Life Saving. You will be missed by many. This role is now on seek ([click here to apply](#))

### Paid Lifeguard Supervisor

The Paid Lifeguard Supervisor role remains on seek ([click here to apply](#))

### SurfCom Operators

SurfCom recruitment is now running 365 days a year ([click here to apply](#))

### Community Education Manager

The Community Education Manager role is now open for applications ([click here to apply](#))
