Hi all,

Surf Lifesaving Northern Region is taking applications for those interested in taking part in an upcoming Facilitators Course.

The two-day course is for facilitators of instructors training, PC courses, Surf Official training and Surf Coaching. This 'train the trainer' style workshop will be run under the lead of an external facilitator trainer on the Saturday covering general facilitation techniques and strategies, EQ, interpersonal skills, 'working a room' etc. The Sunday will have participants break in to their respective streams to cover the specifics of the courses they will be facilitating.

To apply, please follow the attached link and complete the survey:
