2019 Northern Region Pool Rescue Championships:

The weekend of the 31st August & 1st September saw the Owen Glenn Aquatic Centre host the 2019 SLSNR Pool Rescue Championships. Close racing across four sessions over the weekend saw twelve clubs and 280 athletes competing in what is the pinnacle event in the Northern Pool calendar.

Events were held across Junior, Senior & Masters age groups in what was a very competitive field which saw numerous NZ Records broken.

Plenty of racing with lots of smiles and laughs pool side made for what was a successful event. A big thanks to all the Officials for making the event possible, also to the Coaches, Team Managers & parents for supporting.

Congratulations to Orewa who retain the Cosgrove Cup (finishing on 331 points), ahead of Mairangi Bay (206) & Piha (123). Click [here](#) for full results.

The next event on the Pool Rescue calendar is Eastern Region Championships (21st & 22nd September) followed by the National Pool Championships (11th-13th October).

Best,

Zac Franich

Interim Sport Manager
