King & Queen of the Harbour:

As a way to attract more young paddlers to ocean paddling, we are offering a 40% discount off the entry fee to paddlers under 23 years. Simply use the discount code "U23" when registering. Enter now <https://www.webscorer.com/register?raceid=174244>

We are excited to announce that after this year's race we will be running a fun-focused kids event "Kids of the Harbour"- a few short, fun, round-the-buoy 'races' suitable for children aged 9-12 years old. Using new TK1 plastic ski kayaks, this is aimed to introduce kids to surfski paddling so no experience is required. Boats, paddles and lifejackets will be provided.

For more information and to register your child, click here
