

Circular 101:19

Date: Wednesday December 5th 2019

Subject: **Foundation North Allocation**

Attention: All

Action: Immediate

The Foundation North allocation of requested items will begin at the MRC on Saturday December 14th from 8am -1030am. However, some items have not yet arrived for delivery but we are chasing more details from the suppliers, these are-

- Flag bases and signs
- Some Lifejackets
- IRBs
- Some First Aid boxes

The Lifesaving Advisory group will issue all items to the clubs picking up their equipment. During this allocation, we would like the clubs to meet the L.A.G to discuss the ongoing radio maintenance suggestions and the next equipment audit.

Some clubs will have bigger items to pick up, such as-

- ATV alloy wheel replacements
- IRB engine
- IRB trailer
- Rescue board

We are requesting all members to provide their own transport solutions/ tie downs to take the items from the MRC.
