

Don't Bring The Outdoors In

WHAT IS SWABBO?

SWABBO is a purpose-built footwasher, made from 100% recyclable plastic (minimum 50% recycled).

The brush block design requires 40% less plastic than conventional brushes.

HOW DO I USE SWABBO?

Cover the bristles with water and move your foot back and forth. The soft bristles will gently remove any sand or grit.

SWABBO needs no running water - it's portable and can be used anywhere.

WHY DO I NEED SWABBO?

SWABBO saves energy and reduces cleaning time. Don't bring the outdoors in. Let SWABBO wash away the fuss and inconvenience of enjoying the great outdoors.

Perfect for the Beach House, RV or Camping. Great for cleaning feet before entering the Swimming or Spa pool. SWABBO is ideal anywhere the Outdoors meets the Indoors.
