SLSNR is currently requesting expressions of interest from individuals who are interested in being instructors/mentors on the Youth Development Camp.

The SLSNR Youth Development Camp is designed to target young lifeguards who are enthusiastic about the values associated with surf club life. This camp is both physically and mentally challenging, focusing on personal development and leadership development rather than specific Surf Life Saving skills.

This year's Youth Development Camp will be held on Motutapu Island on Thursday 16th – Sunday 19th April 2020, you must be available to attend the whole camp.

As a Youth Development Camp instructor, you will be responsible for mentoring a group of 7-8 candidates aged 15 - 18 years old during their time on Motutapu Island. Instructors will facilitate the setting of the candidate's goals, help the candidates throughout camp to achieve these through dynamic theory sessions and action packed outdoor activities. Instructors will be required to deliver presentations and facilitate activities during camp, providing insight and knowledge into leadership development.
