

## Circular **015:20**

---

**Date:** 27<sup>th</sup> February 2020

**Subject:** California Lifeguard Exchange 2020

**Attention:** Operational Lifeguards

**Action:** Complete this application and return to the SLSNR Manager – People, Culture and Club Development by 5pm Monday 23<sup>rd</sup> March 2020.

---

Circulars are available at: <http://lifesaving.org.nz/lifesaving/lifesaving-operations-circulars/>

---

### **Overview**

Since 1969 senior lifeguards have been selected from clubs in the Northern Region, to visit lifeguard agencies in California. The exchange is a structured learning experience, and is an opportunity for clubs to nominate exceptional lifeguards who show the ability to enhance surf lifesaving in this country.

With the assistance of the host organisation – California Surf Life Saving Association – the exchange delegates are given the opportunity to participate in patrolling activities, to witness and practice the use of different types of rescue equipment, and to observe alternative beach management programmes and administrative structures.

The California Lifeguard Exchange is the second pillar of the **Buddy Lucas Leadership Scholarship**. The Buddy Lucas Leadership Scholarship is funded by **Denis Black**, Patron of SLSNZ and Life member of both SLSNZ and SLSNR. It provides prospective leaders the opportunity to develop and expand their knowledge of Surf Life Saving and develop their own personal skills. Through this scholarship, the successful candidates will have their operational costs covered.

Successful applicants will demonstrate a high level of knowledge of New Zealand's lifeguarding arrangements, be highly proficient in a range of practical patrolling and rescue skills, and have the ability to impart this to others through prepared presentations and coordination of hosting duties on their return.

Selectors will be looking for candidates who can successfully evaluate the benefits of the alternative systems and techniques they observe, have had a consistent involvement in SLS over a long period of time and who will continue to actively participate in the development and administration of surf lifesaving following the exchange (i.e. have earned it, will learn and develop from it, and will continue to contribute after it).

SERVICES

### **Selection Process**

The selection process will be undertaken by an advisory group appointed by the Club Development Advisory Group. This will include a former exchange delegate, a senior volunteer and a member from the Northern Region Staff. Applicants will be advised in writing if they have been short-listed for an interview, and if so, the time and place for this. An announcement of the successful applicants will be made no later than April 2020.

### **Selectors' decision to be final**

The selection sub-committee's decision will be final, and their deliberations will remain confidential to the appointed advisory group.

## 10. INFORMED CONSENT

I consent to the collection of the above and attached details by Surf Life Saving for the purpose of the 2020 California Lifeguard Exchange with the California Surf Life Saving Association. I understand that this information will only be disclosed to those individuals appointed by SLS to select the delegates. I also give my permission for my name and details of this application to be used for media purposes, should I be selected as the successful candidate. I acknowledge my right to access and correct this information at any time, in accordance with the Privacy Act 1993.

I acknowledge that there is an element of risk involved in the activities that I will be undertaking. To enable the hosts to manage the factors affecting the risk to me, I agree to ensure I am fully informed of the risks associated with any activity before I undertake it, and to follow the directions of the Exchange Coordinators and individual hosts. I agree to indemnify Surf Life Saving in respect of any personal loss or damage that may occur whilst undertaking the 2020 California Lifeguard Exchange.
