

New Zealand Government Alert Levels - Surf lifesaving Capability/Operational Compliance

- The '**Alert Levels**' below are determined by the Government and specify the public health and social measures to be taken in the fight against COVID-19. Surf Lifesaving have applied these with current information and developed a **Capability/Operational Compliance Matrix**, this is designed to support best practice decision making for Surf Lifesaving.
- The '**Range of Measures**' may be updated based on new scientific knowledge about COVID-19, information about the effectiveness of control measures in New Zealand and overseas, or the application of Alert Levels at different times (e.g. the application may be different depending on if New Zealand is moving down or up Alert Levels). Surf Lifesaving may also update the '**Surf Lifesaving Capability/Operational Compliance Matrix**' on the basis Government updates or sector wide decisions around operational compliance.
- Government advice is that the '**Alert Levels**' may be applied to a town, city, territorial local authority, regional authority or across a national level. Different parts of the country may be at a different alert level at any given time, the Government has signalled we can move up and down '**Alert Levels**'. This could be complex in nature, however Surf Lifesaving Staff will be informed and be able to guide Clubs as status of the changing '**Alert Levels**'.
- Restrictions are cumulative (at Alert Level 4, all restrictions from Alert Level 1, 2 and 3 apply).
- Surf Lifesaving New Zealand will continue to produce Operational Memos clarifying and further outlining the Surf Lifesaving Capability/Operational Compliance, these can be found here: <https://www.surflifesaving.org.nz/organisation/covid-19>

New Zealand Government Alert Levels - Surf lifesaving Capability/Operational Compliance Matrix			
Alert Level/Outcome	Risk Assessment	Range of Measures (can be applied locally or nationally)	Surf Life Saving Capability/Operational Compliance
Level 4 Lockdown Strong restrictions to limit all people movement and contact to contain community transmission and outbreaks.	<ul style="list-style-type: none"> • Community transmission is occurring. • Widespread outbreaks and new clusters. 	<ul style="list-style-type: none"> • People instructed to stay at home (in their bubble) other than for essential personal movement. • Safe recreational activity is allowed in local area. • Travel is severely limited. • All gatherings cancelled and all public venues closed. • Businesses closed except for essential services (e.g. supermarkets, pharmacies, clinics, petrol stations) and lifeline utilities. • Educational facilities closed. • Rationing of supplies and requisitioning of facilities possible. • Reprioritisation of healthcare services. 	<ul style="list-style-type: none"> • Surf Lifesaving & Club Staff <ul style="list-style-type: none"> ○ Continue to implement remote working from home, teleconference and remote member support strategies. ○ No staff working from offices unless engaged as an 'Essential Service'. • Lifesaving Operations <ul style="list-style-type: none"> ○ Approved ECOS only, squads need to be; currently registered, tasked only by Police as part of an 'Essential Service' for Category 1 or Category 2 SAR Operations, also need to be COVID-19 PPE compliant. • Clubs/Facilities <ul style="list-style-type: none"> ○ All club facilities closed to all membership unless tasked as per above as an 'Essential Service'. • Education/Learning/Training Courses <ul style="list-style-type: none"> ○ Online Learning only. • Sport/Physical Recreation /Junior Surf <ul style="list-style-type: none"> ○ Nil, except low level safe recreation, outlined by Government.

Level 3 Restrict

Further restrictions on activities, including at workplaces and socially, to address a high risk of transmission within New Zealand.

- Community transmission might be happening.
- New clusters may emerge but can be controlled through testing and contact tracing

- People instructed to stay home in their bubble other than for essential personal movement – including to go to work, school if they have to or for local recreation.
- Physical distancing of two metres outside home (including on public transport), or one metre in controlled environments like schools and workplaces.
- People must stay within their immediate household bubble, but can expand this to reconnect with close family / whānau, or bring in caregivers, or support isolated people. This extended bubble should remain exclusive.
- Schools (years 1 to 10) and Early Childhood Education centres can safely open, but will have limited capacity. Children should learn at home if possible.
- People must work from home unless that is not possible.
- Businesses can open premises, but cannot physically interact with customers.
- Low risk local recreation activities are allowed.
- Public venues are closed (e.g. libraries, museums, cinemas, food courts, gyms, pools, playgrounds, markets).
- Gatherings of up to 10 people are allowed but only for wedding services, funerals and tangihanga. Physical distancing and public health measures must be maintained.
- Healthcare services use virtual, non-contact consultations where possible.
- Inter-regional travel is highly limited (e.g. for essential workers, with limited exemptions for others).
- People at high risk of severe illness (older people and those with existing medical conditions) are encouraged to stay at home where possible, and take additional precautions when leaving home. They may choose to work.

- **Surf Lifesaving & Club Staff**
 - Implement remote working from home, teleconference and remote member support strategies.
 - No staff working from offices or undertaking travel unless authorised by CE, COO, Club Chairperson (for club travel) or part of an 'Essential Service'.
- **Lifesaving Operations**
 - Approved ECOS only, squads need to be; currently registered, tasked only by Police as part of an 'Essential Service' for Category 1 or Category 2 SAR Operations, also need to be COVID-19 PPE compliant.
 - Specific areas will be assessed on an individual basis and case by case patrolling options may be considered.
- **Clubs/Facilities**
 - All club facilities closed to general membership unless tasked as per above as an 'Essential Service' or under specific authorisation of Club Chair/Manager on a case by case basis.
- **Education/Learning/Training Courses**
 - Online Learning only.
- **Sport/Physical Recreation /Junior Surf**
 - No Events.
 - Physical Recreation may occur under the following guidelines;
 - i. it needs to be in a low risk local environment, with a safety plan,
 - ii. using non-powered individual equipment (Swimming, Boards, Surf Skis),
 - iii. physical distancing recommendations need to be observed
 - iv. focus must be within existing skill and fitness levels; member must already be competent
 - v. if club equipment is used the club must ensure existing proficiency/competency.
 - No organised coaching sessions or mixed bubble recreation or training allowed.
 - No Junior Surf.

Level 2 Reduce

Physical distancing and restrictions on leisure and social activities to address sporadic cases or a cluster in New Zealand.

- Household transmission could be occurring.
- Single or isolated cluster outbreaks.

- People can reconnect with friends and family, go shopping, or travel domestically, but should follow public health guidance.
- Physical distancing of two metres from people you don't know when out in public is recommended, with one metre physical distancing in controlled environments like workplaces unless other measures are in place.
- No more than 100 people at indoor or outdoor gatherings.
- Sport and recreation activities are allowed, subject to conditions on gatherings, contact tracing, and – where practical – physical distancing.
- Public venues can open but must comply with public health measures.
- Health and disability care services operate as normally as possible.
- Businesses can open to the public, but must follow public health guidance including in relation to physical distancing and contact tracing. Alternative ways of working encouraged where possible (e.g. remote working, shift based working, physical distancing, staggering meal breaks, flexible leave).
- It is safe to send your children to schools, early learning services and tertiary education. There will be appropriate measures in place.
- People at higher-risk of severe illness from COVID-19 (e.g. those with underlying medical conditions, especially if not well-controlled, and seniors) are encouraged to take additional precautions when leaving home. They may work, if they agree with their employer that they can do so safely.

- **Surf Lifesaving & Club Staff**
 - Working from offices ok, encourage remote working where possible, use physical distancing of two metres from people you don't know, with one metre physical distancing in controlled workplaces, contact tracing protocols need to be in place.
 - Club meetings ok, use physical distancing strategies, contact tracing protocols need to be in place.
 - Staff can travel, but do it in a safe way, seek authorisation from CE, COO or Chairpersons if travel is out of region.
- **Lifesaving Operations**
 - Approved ECOS only, squads need to be; currently registered, tasked only by Police as part of an 'Essential Service' for Category 1 or Category 2 SAR Operations, also need to be COVID-19 PPE compliant.
 - Patrolling models to include, Flagged Areas, Surveillance and Observational Patrols during patrol season. Note: Surf Lifesaving will provide further clarification with rollout of new POM, August 2020.
 - Measures must be taken to sanitise and minimise the sharing of equipment.
 - Inter-regional travel for Lifesaving Operations ok, but do it in a safe way.
- **Clubs/Facilities**
 - Club facilities can open if they have a 'COVID-19 Operational Safety Plan', overnight stays strongly discouraged, ensure conditions on mass gatherings (under 100), contact tracing protocols, and where practical physical distancing conditions are met.
- **Education/Learning/Training Courses**
 - Education/Learning/Training Courses are all subject to conditions on mass gatherings (under 100), contact tracing protocols, and where practical physical distancing conditions should be met.
 - Beach Education is subject to conditions on mass gatherings (under 100), contact tracing protocols, and where practical physical distancing conditions should be met.
 - Measures must be taken to sanitise and minimise the sharing of equipment.
 - Inter-regional travel for Education/Learning/Training Courses ok, but do it in a safe way.
- **Events/Physical Recreation/Trainings/Junior Surf**
 - Events/Physical Recreation/Trainings/Junior Surf are all subject to conditions on mass gatherings (under 100), contact tracing protocols, and where practical physical distancing conditions should be met.
 - Measures must be taken to sanitise and minimise the sharing of equipment.
 - Inter-regional travel for Events/Physical Recreation/Trainings/Junior Surf ok, but do it in a safe way.

<p style="text-align: center;">Level 1 Prepare</p> <p>Keep out global pandemic. Population prepared for increase in alert levels if necessary.</p>	<ul style="list-style-type: none"> • COVID-19 is uncontrolled overseas. • Isolated household transmission could be occurring in New Zealand. 	<ul style="list-style-type: none"> • Border entry measures to minimise risk of importing COVID-19 cases. • Intensive testing for COVID-19. • Rapid contact tracing of any positive case. • Self-isolation and quarantine required. • Schools and workplaces open, and must operate safely. • Physical distancing encouraged. • No restrictions on gatherings. • Stay home if you're sick, report flu-like symptoms. • Wash and dry hands, cough into elbow, don't touch your face. • No restrictions on domestic transport – avoid public transport or travel if sick. 	<ul style="list-style-type: none"> • Surf Lifesaving & Club Staff <ul style="list-style-type: none"> ○ Working as per normal ok, physical distancing strategies encouraged. ○ No restrictions on local/regional/national travel or flights, International travel only authorised by CE, or Club Chairperson for club related travel. • Lifesaving Operations <ul style="list-style-type: none"> ○ ECOS as per SOPs' need to be COVID-19 PPE compliant. ○ Patrolling models to include, Flagged Areas, Surveillance and Observational Patrols during patrol season. <u>Note:</u> Surf Lifesaving will provide further clarification with rollout of new POM, August 2020. ○ No restrictions on local/regional/national travel or flights, International travel only authorised by CE, or Club Chairperson for club travel. • Clubs/Facilities <ul style="list-style-type: none"> ○ Club facilities are open to public, membership as per normal with controlled/managed overnight stays. • Education/Learning/Training Courses <ul style="list-style-type: none"> ○ Normal training can occur, physical distancing encouraged. ○ Beach Education at select venues, physical distancing encouraged. ○ No restrictions on local/regional/national travel or flights, International travel only authorised by CE, or Club Chairperson for club travel. • Sport/Physical Recreation & Trainings/Junior Surf <ul style="list-style-type: none"> ○ Events can run as normal. ○ Coached physical training sessions can be run as per normal. ○ Junior Surf sessions can be run as per normal. ○ No restrictions on local/regional/national travel or flights, International travel only authorised by CE, or Club Chairperson for club travel.
<p style="text-align: center;">No Level</p> <p>Business as Usual</p>	<ul style="list-style-type: none"> • Very Low Risk 	<ul style="list-style-type: none"> • Good hygiene measures and normal PPE practices in place • Stay home if you're sick, do not attend any activities, report flu-like symptoms • Wash and dry hands, cough into elbow, don't touch your face 	<ul style="list-style-type: none"> • Surf Lifesaving & Club Staff – BAU normal hygiene & PPE measures in place. • Lifesaving Operations – BAU normal hygiene & PPE measures in place. • Clubs/Facilities – BAU normal hygiene & PPE measures in place. • Education/Learning/Training Courses – BAU normal hygiene & PPE measures in place. • Sport/Physical Trainings/Junior Surf – BAU normal hygiene & PPE measures in place.
