Health & Safety:

- A Competition Safety Plan is completed for every SLSNR event and is available for viewing at the event.
- One key section of the Competition Safety Plan is the **Missing Competitor at Sea – Emergency Response Plan** and the roles and responsibilities of Officials, Team Managers, Competitors, Management and Event Safety Team will be outlined during briefings
- This is a hugely important plan to understand and know where you can assist as time is critical when dealing with a missing person in the sea. More information can be found [here](#)
- **Pre-Existing Medical Conditions:** All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Manager by email to entries@lifesacing.org.nz. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNR and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.
 - It is important to note that that a pre-existing medical condition includes a concussion event that has occurred prior to this event. These forms are available through the website [here](#).
- **Concussion Protocol**
 - Any person diagnosed with concussion within the 23 days (21 days for over 19 yrs) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.

- All competitors and managers are reminded we as a management group have a need to be informed prior to the start of the event if any competitor who is under medical treatment or has suffered an injury that may impede their ability to perform. This requirement requires the competitor (or parent in competitor is under 18) to complete a waiver to enable participation. We have a need to understand who may be at additional risk during an event so that additional resources can be focused on the competitor while competing and ensure their safety.
 - Under 18 competitor waivers found [here](#).
 - 18 and over competitor waivers found [here](#).
- The Event Management Committee reserves the right, if conditions warrant, to require canoe and boat crews to wear helmets. All clubs should bring helmets to the competition in the event that conditions warrant their use.
