Competition Safety Plan:

A Competition Safety Plan will be completed for the event.

One key section of the Competition Safety Plan is the **Missing Competitor at Sea** – Emergency Response Plan and the roles and responsibilities of Officials, Team Managers, Competitors, Management and Event Safety Team.

This is a hugely important plan to understand and know where you can assist as time is critical when dealing with a missing person in the sea.

Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the clubs' responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found here.

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

- **Pre-Existing Medical Conditions:** All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Manager by email to entries@lifesaving.org.nz. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.
 - It is important to note that that a pre-existing medical condition includes a concussion event that has occurred prior to this event. These forms are available through the website [here](#).
- **Concussion Protocol**

- All competitors and managers are reminded we as a management group have a need to be informed prior to the start of the event if any competitor who is under medical treatment or has suffered an injury that may impede their ability to perform. This requirement requires the competitor (or parent in competitor is under 18) to complete a waiver to enable participation.
