- For Club members search for “2024 Northern Region Junior Championships” on the SLSNZ online entry portal [here](#)
- Please ensure your Team Management & Surf Official information is up to date on the online system.
- Failure to list a team manager may mean that you will miss out on vital information.
- It is the expectation of the event organisers that clubs will only enter competitors that have the requisite ability to compete safely in any given event.

## **Competition Safety Plan:**

A Competition Safety Plan will be completed for the event.

One key section of the Competition Safety Plan is the **Missing Competitor at Sea** – Emergency Response Plan and the roles and responsibilities of Officials, Team Managers, Competitors, Management and Event Safety Team.

This is a hugely important plan to understand and know where you can assist as time is critical when dealing with a missing person in the sea.

## **Parent, Guardian, Coach, Team Manager and Club Obligations**

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the clubs' responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found here.

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.
